

FOR A DOCTORATE SCHOLARSHIP

Before applying...

- I read and I make sure I filled out the eligibility and selection criteria for this level
- I have to be registered in one of the partner institutions in 2nd year of Master or in 1st year or 2nd year of Doctorate
- I must have the language skills allowing me to continue my research studies at UPVD (minimum required level B2 in French)
- I check that the field of research for which i candidate is eligible to the programme
- I check that the training for which I candidate exists at UPVD
- I have contacted the laboratory i targeted at UPVD
- I have ensured that the proposed project for my mobility corresponds with my research field
- I check that there are scholarships funded for this mobility level.
- I make sure I filled out the eligibility conditions

To apply...

1. I apply online respecting the deadline (see the Agenda)
2. I check all the information and I submit a complete application form with ALL the following documents (except optional ones, which are not mandatory):
 - Copy of the passport (otherwise, the ID)
 - Curriculum Vitae in French or English (CV Europass format)
 - Statement letter in French or English duly signed (max. 2 pages)
 - Copy of Bachelor's diploma degree: *translated into French or English*
 - Copy of Masters' diploma degree: *translated into French or English* (mandatory if you are in 1st or 2nd year of PhD)
 - Copy of the student card (or certificate of registration) of the home institution for the current academic year
 - Copy of transcripts of records from the entrance at the university (transcripts of records mandatory, ranking certificate optional): *translated into French or English*
 - Copy of transcripts of records of the current year - if available (optional): *translated into French or English*
 - A description of the courses currently followed in the home institution : *translated into French or English*
 - Doctoral mobility project duly filled and signed : *in French or English*
 - Pre-admission letter from the host laboratory at UPVD : *in French or English*
 - Language Level Certificates:
 - French: DELF B2 level or TCF level4 certificate is recommended. Otherwise, a certificate from a professor of language of your home institution stating your level.
 - English: Without a certificate of French, a B2 level certificate in English has to be provided. Otherwise, it is optional.
 - Other documents that support the application: (optional)
 - List of published works (do not attach the content)
 - Letter from your supervisor (director of thesis) at your home institution attesting to your capabilities and validating your research project mobility.
 - A joint or co-supervision thesis agreement signed or a document indicating that it will be signed.
 - An official document to support your situation of vulnerability (if applicable)

Any document from your institution must be made on paper letterhead and include its official stamp.

Warning! The application form must be completed in order to be validated. Therefore, prepare in advance all documents to be attached. Make sure that attachments do not exceed a **total of 10 MB** (otherwise, you couldn't validate the form!). Send files in **PDF only**.

Incomplete applications or submitted after the deadline will be rejected.

NB : Conditional selection. If at the time of application, you cannot provide your university results, the final selection will be conditioned by the passing of your degree. Since the scholarship is based on academic excellence, students who have to take re-sit examination during the academic year of application won't be considered.
